CAUTION: KEEP OUT OF REACH OF CHILDREN

PRECAUTIONARY STATEMENTS

Before using this product, read the entire label, including conditions of sale. When applying, wear appropriate personal protective equipment including splash goggles or face shield and impervious gloves. May cause irritation to skin and eyes. Ingestion of large amounts of product may cause mucosal irritation, dizziness, nausea and possible vomiting.

STATEMENT OF PRACTICAL TREATMENT

If Swallowed: Give large amounts of water to drink. Do not induce vomiting. Seek medical attention immediately.

If Inhaled: Move user to fresh air and seek medical attention.

If In Eyes: Flush with water for 15 minutes. Seek medical attention.

If On Skin: Remove contaminated clothing. Wash skin contact area with plenty of soap and water.

GENERAL INFORMATION

PRECISION EZ-TABS are a unique blend of polymeric surfactants designed to increase water infiltration, improve water retention, provide a rescue treatment for localized dry spot (LDS) and reduce product handling. PRECISION EZ-TABS may be used alone or as part of a comprehensive water management program with products such as Cascade™ Plus, Magnus™ or Duplex™.

PRECISION EZ-TABS ARE DESIGNED FOR USE ON GOLF COURSES, ATHLETIC FIELDS AND RESIDENTIAL OR COMMERCIAL TURF, UNDER THE SUPERVISION OF GOLF COURSE SUPERINTENDENTS, PROFESSIONAL TURF MANAGERS OR PROFESSIONAL LANDSCAPE CONTRACTORS.

DIRECTIONS FOR USE

For best results follow application rates and techniques listed below.

APPLICATION TECHNIQUES

Remove the lid but do not remove the product from the EZ-TABS container.

Place the opened EZ-TABS container into the canister of a commercial in-line hose applicator with the opening of the container in the up-right position or facing the flow of water. Secure the canister to the applicator and make the application. PRECISION EZ-TABS are engineered to remain in the container during the application.

APPLICATION RATES

One tablet should cover approximately 12,000-18,000 square feet (1,115-1,672 m²) of turf. Severity of localized dry spot, water temperature, water pressure and application technique may cause coverage to vary. Each EZ-TAB will last approximately 40 minutes.

STORAGE AND DISPOSAL

Store in original container only and do not reuse empty containers. PRECISION EZ-TABS containers should be disposed of in accordance with federal, state and local regulations. Do not store near heat or open flame.

CONDITIONS OF SALE

Read the information contained herein before buying or using this product. If the stated terms are unacceptable, return the product at once, unopened. It is critical that this product be used and mixed only as specified on this label. Neither the manufacturer nor the seller makes any representation or warranty, expressed or implied, with respect to the results from the use of this material. Buyer and user assume all risks of use and/or handling. Precision Laboratories, Inc. warrants that this material is reasonably fit for use as specified on this label. No agent or representative is authorized to make any other representations concerning this material. Unforeseen factors beyond Precision's control prevent elimination of risks in connection with the use of its chemicals. Such risks include, but are not limited to, damage to plants and/or crops to which the material is applied, or lack of complete control and damage caused by drift to other plants or crops. Such risks may occur even though the product is reasonably fit for use as stated hereon and even though label directions are followed. Follow directions carefully. Timing, mixture, method of application, weather and other conditions are influencing factors in the use of this product and are beyond the control of the seller. Except to the extent prohibited by applicable law, the exclusive remedy of the user or buyer and the limit of liability of the Company or any other seller for any and all losses, personal injuries or damages resulting from the use of this product shall be the purchase price paid by the user or buyer for the product involved.
