**KEEP OUT OF REACH OF CHILDREN**

**STOP, READ THE LABEL BEFORE USING THIS PRODUCT**

### COMPATIBILITY:

Always check for compatibility with other products prior to use. Do not mix with Mancozeb based formulations.

### GENERAL INFORMATION:

**TurfRx Fairway Flowable**- Is designed for use in plants that have a high requirement for Potassium and Phosphorous

**TurfRx Fairway Flowable**- Is a liquid formulation, developed as an easy to use formulation that is highly compatible with most fertilizers.

Nitrogen should be included as required for growth or recovery desired between 0.1-0.25lbN/1000.

May also be sprayed with pesticides and growth regulators. Please confirm with Agronomist and perform jar test as required.

### APPLICATION RATES

Application	Rate	Comments
Soil	128 – 160 oz/ac	› Inject through controlled irrigation systems or spray on surface and lightly water into root zone.
	2.9 – 3.7 oz/1000 ft <sup>2</sup>	› Monthly applications are normal at provided rates

### APPLICATION GUIDELINES

- Proper application rates and frequency should be determined by specific conditions and plant requirements.
- Always jar test before adding to a spray tank or injection tank.
- Spray applications should be made with sufficient water, 30 mesh screens, and agitation throughout the application.
- When tank mixing with other chemicals, it is the responsibility of the end-user to assure compatibility and safety.
- Poly in-line filters should be replaced with stainless steel, when possible.
- Always consult your agronomist for application with questions on application guidelines, rates and frequency.

**AVOID CONTACT WITH SKIN, EYES OR CLOTHING.** In case of contact immediately flush skin, eyes or clothing with plenty of water for several minutes.

**WARRANTY:** Since weather, plants, soils and other ecological conditions may vary, the seller makes no warranty of any kind, express or implied concerning the use of this product. The user assumes all risk of use and handling whether or not in accordance with directions or suggestions.
